

Covid-19 Health Information & Liability Waiver

Due to the outbreak of the novel Coronavirus, Covid-19, I am taking extra precautions with the intake of each client, to include myself. I abide by the same set of questions each day, as well as improved and expanded sanitation protocols within my office.

We will both be required to wear a face covering during each session, wash/sanitize hands before and after, and a temperature check upon arrival. If you have any respiratory symptoms or a fever above 100, you will be asked to reschedule your massage.

Please be aware that people with Covid-19 can be asymptomatic and still be contagious. There is no way to completely protect ourselves from this virus, but the precautions I have in place, are to offer an extra level of defense against it.

Consent for Treatment

I understand that, because massage therapy involves maintained touch and close proximity over an extended period of time, there may be an elevated risk of disease transmission, including Covid-19. Should I become infected with Covid-19 within 2 weeks of my session, I will report this to my practitioner for Contact Tracing.

By signing this form, I acknowledge that I am aware of the risks involved from receiving treatment at this time. I voluntarily agree to assume those risks, and I release and hold harmless the practitioner/business from any claims related thereto. I give my consent to receive treatment from this practitioner.
